

English

'The Convergence of the Twain'(poetry): Explore the range of imagery and description in sea poems. Evoke feeling in their own poem about The Titanic.

'The Hobbit'(classic fiction): Investigate setting, character, development, dialogue and narrative. Write their own 'Lost Tale', including complex sentences, relative clauses and elaboration.

'Tales of Outer Suburbia'(fantasy): Children write a drama based on a Shaun Tan story, then a new story in the Shaun Tan-style, using 'Outer Suburbia' tales.

Ghyll Royd School Year 5 Summer 2024 Termly Overview

Mathematics

Roman Numerals.
Prime Numbers.
Percentages and their relation to fractions.
Mental Mathematics (emphasis on speed and accuracy).
Algebra.
Exam Technique.
End of Year Assessments.

All underpinned with practical problem-solving and more and more learning outside of the classroom (as the weather gets better).

Computing

'3D Modelling': Use 2Design program to explore different viewpoints. Explore how to edit polygon 3D models to design a 3D model for a purpose. Refine a design to prepare if for printing and explore the possibilities of 3D printing.

'Concept Maps': Learn to make connections between thoughts and ideas and the importance of recording concept maps visually, and using appropriate vocab. Create a basic concept map to work collaboratively as a class.

Science

Evolution & Inheritance

Can you succeed in the Game of Survival? Take part in a series of challenges and see if you can accrue enough points to make it onto the Game of Survival Leaders' Board. You will need your evolutionary wits about you!

Human Reproduction and Relationships

Discuss why living things need to reproduce, looking at the human life cycle compared to other animals. Form 5 will study the changes at puberty, including rites of passage in different cultures.

The Yorkshire Three Peaks: what can they tell us about ourselves?

Humanities

Learning Challenge

Orientating the various landscapes of the Three Peaks area; using the area to support the development of map reading skills; landscapes in a land of extremes; the formation and changes of the Three Peaks.

PSHE

Summer (1): What Choices Help Health?

Summer (2): How Can We Be Responsible for Our Safety?

RE, MFL and Reasoning.

RE & Reasoning

This term our RE lesson will make way for an **Exam Preparation** lesson, as our class move toward 11+ and Senior School entrance exams.

Spanish

In Spanish, you will learn how to talk about our hobbies and free time, then revise local features of a town and how to ask for directions.

French

In French, you will learn about the language of how to get to school (transport), as well as the numbers 1-60.

PE and Creative Arts and Design

Art & Design

This term we shall sew a felt hanging of Burley-in-Wharfedale.

Music

Form 5 will be developing their understanding of Dynamics and Timbre as well exploring atmospheric music.

Physical Education

Fielding Skills and Athletics; Cricket and Rounders.
